Optional: time for those who would like to swim and snorkel. In the evening, we have an orientation about the Galapagos Islands in general: their origin and evolution. Welcome cocktail with the entire crew, and dinner.

TUESDAY, DAY 2

After breakfast, we make a wet landing on Sullivan Bay, a perfect place to get a feel of the volcanic origin of the islands. Optional: time for those who would like to swim and snorkel. We return to the boat for a delicious lunch.
